TERM FOUR

NEWSLETTER 11 18 NOVEMBER 2016

From the Principal's Desk

We are at that time of the year when we review the progress our students have made over the last 4 terms. Those of you with children in the Early Years will identify with this story of a Dad whose child was discovering the joy of learning and in particular how to count:

My son is learning to count from 1 to 10. He counts everything from toys to trees. He counts things I tend to overlook, like the wildflowers on his way to school or the toes on my feet.

My son is also teaching me to count again. Often I become so immersed in things I haven't finished or things I don't have that I fail to see all the good things around me. I have forgotten to count the new friends made this year and the answered prayers received, the tears of joy shed and the times of laughter with good friends.

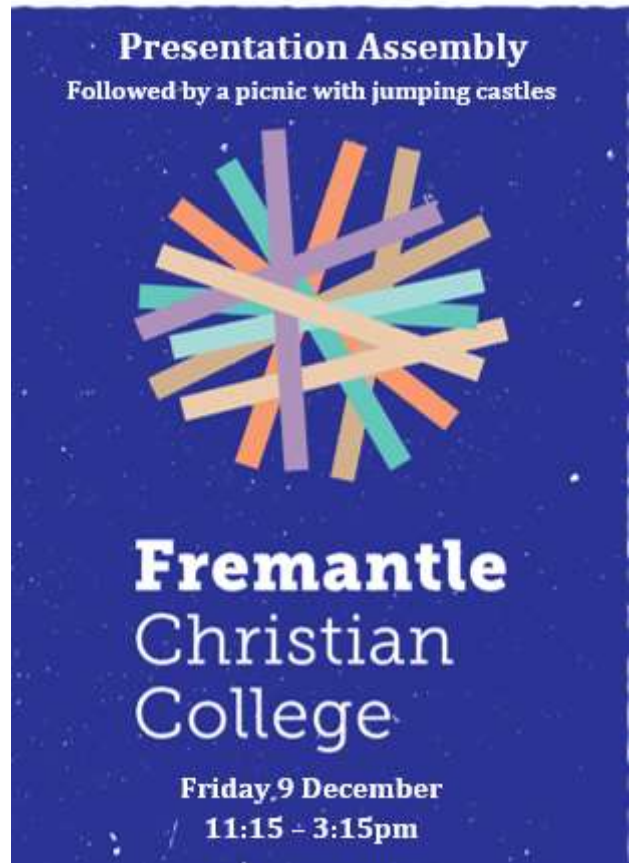

My ten fingers are not enough to count all that God gives me day by day. "Many, Lord my God, are the wonders you have done, the things you planned for us. None can compare with you; were I to speak and tell of your deeds, they would be too many to declare" (Psalm 40:5). How can we even begin to count all the blessings of salvation, reconciliation, and eternal life?

As we approach the end of the year let us find time to celebrate all that has gone on in the lives of the FCC community. Remind us to find time to praise God for all His precious thoughts about us and all He has done for us, when he says, "How precious to me are your thoughts, God! How vast is the sum of them! Were I to count them, they would outnumber the grains of sand" (Psalm 139:17-18).

Let's learn to count again!

Mr Michael Ashton (Principal)

END OF YEAR PRESENTATION ASSEMBLY

This year we will change the format of our Presentation Assembly.

Students and parents will gather in our Hall at 11.15 for an 11.30 start. There will be a 25 minute Cantata conducted by Mrs. Fleming. This will be followed by an Awards Ceremony and speeches.

The ceremony will end at about 11.45 after which parents are encouraged to bring a picnic lunch and the afternoon will be spent under the trees relaxing and celebrating the end of a year well done together.

There will also be some jumping castles for our students to play on. The day will end at 3.15 pm as usual. If you are unable to come down, there will be teachers who will be on duty to supervise.

LITTLE SONG BIRDS CONCERT

Over 200 people turned out to enjoy a spring evening, a picnic dinner, jumping castles and petting farms. This was followed by a concert of song and movement brought to us by Rachel and Wallescu. A big thank you to all those who came out!

YEAR 7 ART EXHIBITION and CREATIVE ARTS EVENING

Our school students did such a fantastic job of showcasing their musical talent on Wednesday night. It was a fun evening of entertainment for all involved. Thank you to our music teachers for all of the time they invest with our students.

Well done to our Year 7 students on the creative body of work they have produced throughout the year in their art class. Their work shows off each student's unique creativity and was a visual delight!

BOOKFAIR

A big thank you to everyone for getting behind this year's Book Fair. FCC community purchased books to the value of \$2034.00. From this \$290.00 was donated to the Smith Family Foundation: an organisation which supplies books and toys to underprivileged families. The school also benefitted by a similar amount in the form of a selection of books for both the classrooms and the library.

YEAR 6 GRADUATION

NEW LIFE CHRISTIAN COMMUNITY

YOU'RE INVITED

New Life meets each Sunday, 9:30am at John Curtin College of the Arts Hall in Fremantle and you are welcome anytime.

The Prayer Room, located on Level 1, 177 South Terrace in South Freo is where we can connect with Jesus and grow as a community throughout the week. It's really the 'hub' of New Life. Wednesday night is a good night to attend the Prayer Room with live music and prayer from 7:30pm.

Onething Kidz (OTK), Onething Youth (OTY) and Clusters (small groups) run weekly during the term.
